

Mater South Brisbane & Redlands EB Negotiations Update #3

Time for your feedback on the EB offer

Enterprise bargaining negotiations with Mater management are progressing to conclusion. At the last meeting on 25 November 2009, Mater presented a comprehensive EB offer having considered your QNU log of claims items. Now, QNU requires your consideration and comment on the initial offer and to do so QNU is holding PAID report back meetings at both Mater Private Hospital facilities see below.

The offer from Mater is attached.

Where to from here?

Mater management are assisting the feedback process with paid report back meetings for nurses to provide your thoughts and comments on the offer to allow your QNU negotiators to provide a response at the next meeting to be held on 7 December 2009. Once a proposed agreement is finalised this would then allow the offer to be put to nurses for consultation and balloting.
